Captain's Call

Dear Sisters,

I am thrilled to be writing my first Captain's Call as your new president! I am truly honored and hope to continue to build upon the outstanding programming, foundation work, and sisterhood that this chapter is recognized for year after year.

Fall Kick-Off Event:

This leads me into my challenge for all of you! It is a *Just One Hour* campaign. With a 16 month old and a full-time job, I certainly understand how busy life is. However, **Just One Hour** of your participation in an event, fundraiser or board meeting could bring new friendships, community involvement, and a renewed connection to your DG heritage.

- Appetizer Potluck on September 13, 2011 at 6:30pm

This year's Founder's Day was celebrated with the Silicon Valley alumnae chapter. Held at Lisa's Tea Treasure in Menlo Park, it was a lovely afternoon as we celebrated our past, present and future. Highlights included:

- The honoring of two 50 year members: Judith (Judy) Elaine Grevstad Hooper, Gamma Eta and Suzanne Burt Olson, Zeta
- A Foundation scholarship named in honor of Dolores Fuller, Epsilon, presented by Anne Hohenberger, Beta Eta.
- Kristy Chernick taking the oath as the new president of the Palo Alto alumnae chapter
- Chapter and Foundation updates

It was another successful Founder's Day!

We also want to take this opportunity to thank Carrie Whelton for her many years of friendship and service to our group, most recently as VP Communications. We will miss her at board meetings, but look forward to seeing her at future events.

Local Chapter Dues: Paying Double?

It may seem so! In years past, you may have received ONE notice asking you to pay both your National dues and your Local Chapter dues at the same time.

Now you receive TWO separate notices, one from Executive Office, asking for National dues and another, sent by us, asking for your Local Chapter dues. We believe this process may have caused many of you to believe that you have paid your Local Chapter dues when in fact, that is not the case.

We know the economy is tight. We know that times are not easy. But we encourage you to pay your Local Dues as this is the only way we remain financially viable to continue our great work in the community.

Please complete the attached form and send in your Local Chapter dues today. You can be sure you're your money is being put to good use.

Follow us on Twitter, Facebook and our Website!

One of the group's goals this coming year is to tweet, post and blog! More information to come, but visit us on these sites to keep up with news, events, photos and more!
